#### I. Introduction:

On April 4, 2023, SCNR Government Degree College (GDC) Proddatur conducted a 'Clean Green Programme' as part of its commitment to social responsibility and sustainable campus practices. The event witnessed active participation from staff members, students, and the Vice-Principal, Obula Subba Reddy Garu. This report outlines the details and impact of this program.

#### II. Objectives:

The primary objectives of the 'Clean Green Programme' were:

1. To promote environmental awareness and sustainability among the college community.
2. To improve the campus environment by conducting a comprehensive cleanup.
3. To engage students and staff in community service and instill a sense of responsibility.

### III. Activities and Achievements:

The 'Clean Green Programme' consisted of the following activities:

1. **Campus Cleanup:** Participants, including students and staff, engaged in a rigorous cleaning process. The college campus, including classrooms, common areas, and outdoor spaces, were thoroughly cleaned.
2. **Tree Plantation:** In an effort to enhance the 'green' aspect of the program, several saplings were planted across the campus. This initiative aimed to promote tree growth and improve air quality.
3. **Awareness Campaign:** During the event, awareness sessions on the importance of environmental conservation were conducted. These sessions were led by faculty members, including the Vice-Principal, Obula Subba Reddy Garu, and provided insights into sustainability practices.
4. **Waste Management:** Special emphasis was placed on waste segregation and proper disposal. The participants actively engaged in the collection and segregation of recyclable materials.

### IV. Impact and Outcomes:

The 'Clean Green Programme' had several positive outcomes:

1. **Environmental Improvement:** The program resulted in a visibly cleaner and greener campus, creating a more pleasant and eco-friendly atmosphere for students and staff.
2. **Community Engagement:** Active participation from students and staff fostered a sense of community and responsibility towards the environment.
3. **Awareness Generation:** The awareness sessions helped in educating participants about sustainable practices and their role in protecting the environment.

### V. Future Initiatives:

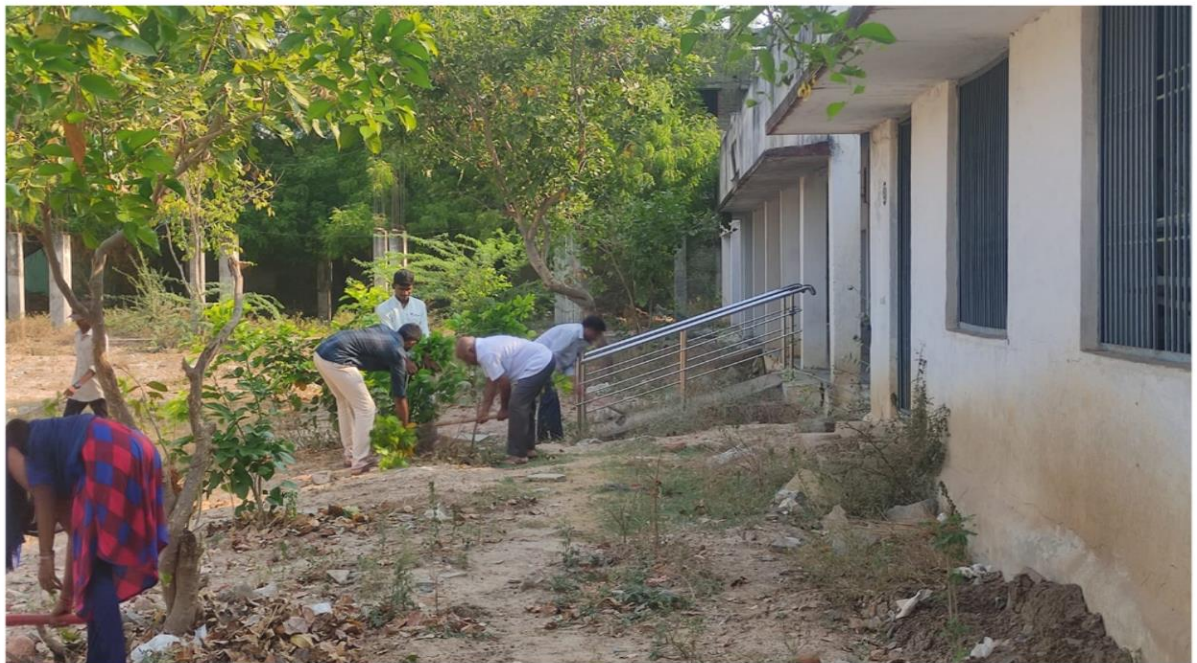

In line with our commitment to sustainability and community service, SCNR GDC Proddatur plans to undertake the following initiatives:

1. Regular 'Clean Green Programmes' to maintain the campus environment.
2. Expansion of tree plantation drives to create a greener and more sustainable campus.
3. Continued awareness campaigns to instill a culture of environmental responsibility among students and staff.

### VI. Conclusion:

The 'Clean Green Programme' at SCNR GDC Proddatur was a successful and impactful event that reflected our dedication to social and environmental responsibility. It aligns with our commitment to creating an inclusive and sustainable educational environment. This program demonstrates our continuous efforts to contribute positively to the welfare of the college community and the society at large.
