

SCNR GOVERNMENT DEGREE COLLEGE

Proddatur , YSR Dist – 516360

News Letter – May 2023

Dr G Chandra Sekhar M.Sc.,M.Phil.,Ph.D
Principal

Principal's message

It has been an absolute pleasure to have been associated as the Principal of SCNR Government Degree College. It has been incredible journey and I would like to extend my sincere gratitude to all of the staff, students and parents of this community for the wonderful support I have received. I would also like to acknowledge and thank the Director and other officials of CCE for their support. All of us in education strive to create an exciting learning environment for our students. I thank all the parents, students and staff for the good wishes and acknowledgements. My best wishes to all students for a safe, peaceful and glorious future

RJD Dr P Babu Garu visit to SCNR GDC Proddatur @03-05-2023

Dr. P. Babu's visit to SCNR Government Degree College (GDC) Proddatur. During his visit, Dr. P. Babu conducted a general inspection of the college and held a crucial NAAC review meeting with the principal and teaching staff. His visit involved evaluating various aspects of the institution, and he offered valuable suggestions for achieving a good NAAC grade.

Activities and Observations:

1. General Visit: Dr. P. Babu RJD commenced his visit with a general inspection of the campus. He visited various departments, laboratories, the library, and other facilities to assess the overall infrastructure and resources available at the college.

2. **NAAC Review Meeting:** Following the general visit, Dr. P. Babu held a comprehensive NAAC review meeting with the principal and teaching staff. During this meeting, the following key activities were undertaken:

a. Evaluation of NAAC Preparations: Dr. P. Babu Garu reviewed the college's preparations for the upcoming NAAC assessment. He assessed the documentation, self-study reports, and other materials prepared for the accreditation process.

b. Question and Answer Session: Dr. P. Babu Garu asked a series of questions related to the NAAC accreditation process. He sought clarification and details on various aspects, such as quality assurance, institutional values, research activities, and student support systems.

c. Discussion on Best Practices: The meeting involved a discussion on best practices to be implemented at the college to improve NAAC ratings. Dr. P. Babu Garu shared insights and suggestions based on his experience and knowledge.

d. Assessment of Infrastructure and Resources: Dr. P. Babu Garu assessed the adequacy and quality of infrastructure, teaching facilities, laboratories, and library resources, providing feedback and recommendations for enhancement.

3. **Department Visits:** Dr. P. Babu Garu visited both science and arts departments within the college to assess the teaching and research facilities. He interacted with department heads, faculty, and students to gain a better understanding of the educational processes.
4. **Library and Records Check:** The library and records of various departments were examined by Dr. P. Babu Garu. He assessed the availability of books, journals, digital resources, and the maintenance of academic records. Recommendations were made to improve the library's offerings and record-keeping procedures.
5. **Suggestions to Achieve Good NAAC Grade:** Dr. P. Babu Garu provided valuable suggestions to the principal and staff on how to achieve a good NAAC grade. These suggestions encompassed improvements in documentation, teaching methods, research activities, and enhancing the overall educational environment.

Conclusion:

Dr. P. Babu's visit to SCNR GDC Proddatur and the subsequent NAAC review meeting were instrumental in guiding the college towards achieving a favorable NAAC grade. His insights, recommendations, and expertise will undoubtedly aid the institution in its pursuit of excellence in higher education.

Observance of Pokhran-II Event at SCNR GDC Proddatur

Date: [13-5-2023]

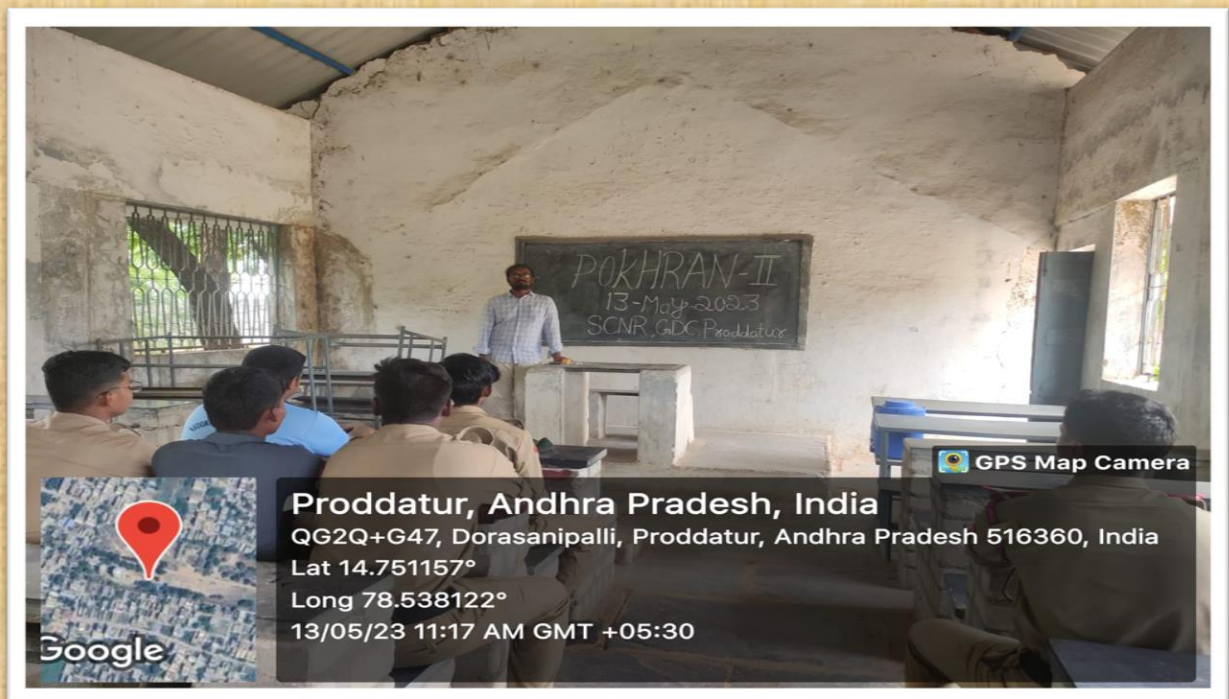

I am pleased to provide a college activity report on the observance of the Pokhran-II event at SCNR Government Degree College (GDC) Proddatur. The event was held on [13-05-23], and it was attended by BABA Fakruddin, a lecturer in history, and D.L.N. Pradeep, along with the active participation of students.

Activities and Observations:

1. **Occasion:** The observance of the Pokhran-II event marked an important milestone in our college's engagement with historical and scientific developments. It served as a platform for reflection and discussion on the significance of the nuclear tests conducted during Pokhran-II in 1998.

2. Participants:

- **BABA Fakruddin**, Lecturer in History: Mr. Fakruddin played a key role in organizing and leading discussions related to the historical context of the Pokhran-II tests, their impact on India's security, and the global response.
- **D.L.N. Pradeep**: Mr. Pradeep, along with other faculty members, contributed to the technical and scientific aspects of the event, providing insights into the nuclear tests, their significance, and their broader implications.

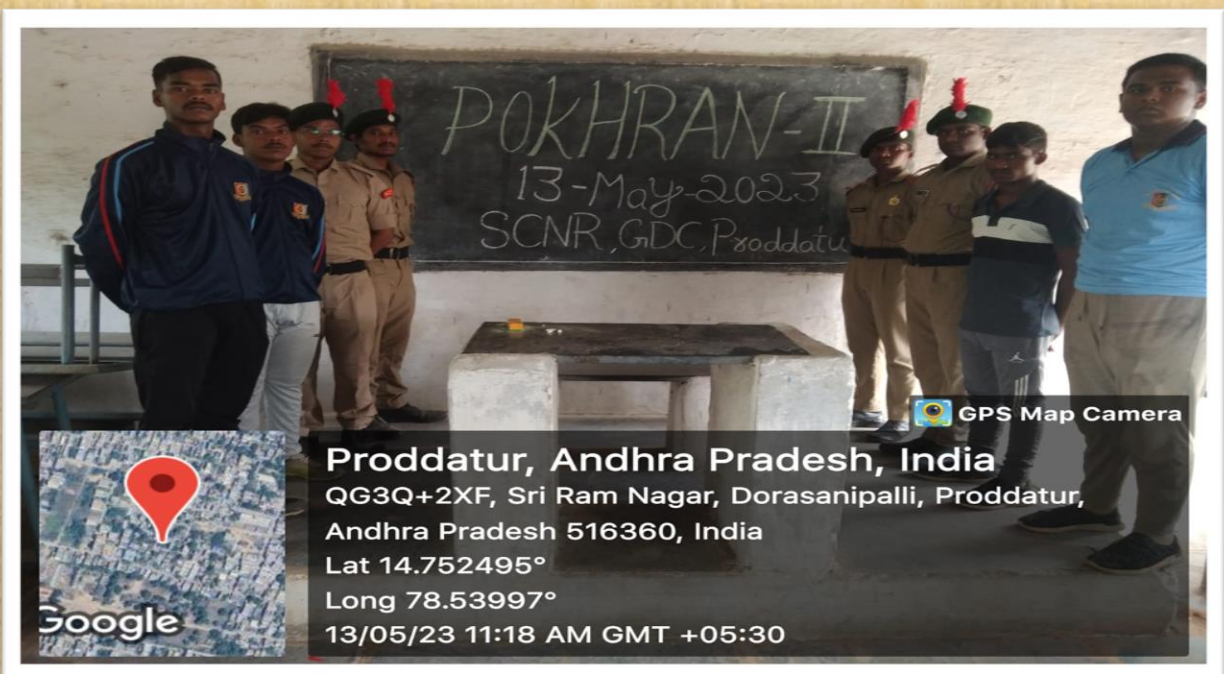

Student Participation: Students from various departments actively participated in the event, engaging in discussions, asking questions, and sharing their perspectives on the Pokhran-II tests.

3. Event Highlights:

- **Presentation and Discussions:** The event featured presentations by both Mr. Fakruddin and Mr. Pradeep, covering the historical and scientific aspects of the Pokhran-II tests. These presentations served as a foundation for in-depth discussions.
- **Q&A Session:** Students had the opportunity to ask questions and seek clarification on various aspects of the Pokhran-II event. This interactive session encouraged critical thinking and dialogue.

- **Documentary Screening:** A documentary related to the Pokhran-II tests was screened to provide a visual representation of the historical context and the scientific achievements of that period.
 - **Reflection and Analysis:** Participants engaged in thoughtful discussions and analyses of the event's historical and geopolitical implications, fostering a better understanding of India's nuclear policy.
4. **Knowledge Sharing:** The event aimed to enhance the knowledge and awareness of students regarding historical and scientific milestones in India's history. It encouraged critical thinking and dialogue on sensitive topics.
 5. **Academic Enrichment:** The observance of the Pokhran-II event contributed to the academic enrichment of the college community, promoting an interdisciplinary approach to understanding significant historical and scientific events.

Conclusion:

The observance of the Pokhran-II event at SCNR GDC Proddatur was a successful endeavor, bringing together students and faculty members from diverse backgrounds to reflect on a pivotal moment in India's history. It encouraged critical thinking, knowledge sharing, and a deeper understanding of the complex historical and scientific context surrounding Pokhran-II.
