## FIT INDIA

Date : 29-08-2019.

In response to the call made by our beloved Prime Minister for Fit India, our college Principal, Sri G. Sekhar, organized a Fit India program in our college. The event witnessed the active participation of our college NSS Program Officer, Sri D. Vasu Babu, as well as Sri Eswar Reddy and Sri Vijaya Bhaskar.

The students engaged in various fitness activities such as brisk walking and workouts in the gymnasium. Additionally, a pledge was taken by the students, with the enthusiastic participation of our college Principal. As part of the event, the students and staff members had the opportunity to listen to an online speech by our honorable Prime Minister, Sri Narendra Modi ji. A total of 98 students and 15 staff members actively participated in this program.

This program holds great significance as it promotes fitness and aims to contribute towards making India a fit nation. It provides an opportunity for students to prioritize their health and well-being, aligning with the larger national vision of Fit India.

## **WORKSHOP ON HIV**

Date : 31-01-2020.

Under the guidance of Principal Dr. M Bharathi, a workshop on HIV was organized in collaboration with the Government General Hospital, Proddatur, and the Department of Zoology at SCNR GDC, Proddatur on 31-01-2020. The event saw active participation from approximately 155 students.

Principal Dr. M Bharathi commended the team of doctors who took part in the workshop, acknowledging their valuable contributions. She also extended her gratitude to the doctors for providing valuable suggestions during the event. Dr. Muniswamy, an RRC master trainer, along with Sri Y. Bala Gangi Reddy, an ICTC counselor, and Sri Y. Padmavathi, an HIV patient, were among the esteemed participants in this workshop.

The workshop aimed to raise awareness about HIV and foster a deeper understanding of the disease among the participants. By organizing such events, the college endeavors to educate students and equip them with knowledge to combat the challenges posed by HIV effectively.

## **SEMINAR ON BLOOD TRANSFUSION**

Date : 12-02-2020.

In order to address the doubts and concerns surrounding blood donation and to promote awareness among students, a seminar on Blood Transfusion was organized under the guidance of our Principal, Dr. M Bharathi. The seminar featured Dr. M Muni Sekharam, a medical officer, and Sri Muniraja, the Secretary, as resource persons. The event took place on 12-02-2020, and alongside the seminar, our college students and staff generously donated approximately 20 units of blood to the Indian Red Cross Society, Kadapa.

Dr. Muni Sekharam emphasized the importance of donating blood to save lives. He advised students that in order to donate blood, their weight should not be less than 50 kg and their age should not exceed 45 years. According to his guidance, the human body is capable of regenerating or replenishing the donated blood within a span of three months.

This seminar served as a platform to educate students about the significance of blood donation and motivate them to actively participate in such life-saving initiatives. By donating blood, students have the opportunity to make a tangible difference and contribute to the well-being of the community.

## **SEMINAR ON IT RETURNS AND E-FILING**
